Since our merge in 2019 we have strived to be able to have all teams win in one weekend. We achieved this last weekend. Go the mighty Kangarams.

SENIORS: ROUND 9

A complete performance by the Seniors against a struggling Nunawading side. The Kangarams dominated from the first bounce, leading by 53 at the end of the first. By half time Nunawading closed the gap slightly so the Kangarms led by 47. The Kangarams only allowed Nunawading to score 9 points in the third extending their lead to 67 points. By the fourth the Lions comeback was too little too late with the Kangarams taking home the 4 points with a convincing 59 point win.

WOMENS: ROUND 5

After a week off the EFNL predicted that Nunawading would take the points home against the Kangarams, they were incorrect. The Kangarams showed their intention from the first bounce, by the end of the first they led by 20 points. The lead increased exponentially by half time leading by 66. It was a similar story in the third where they led by 89 points. The Kangarams were far too strong for the Lions, winning by a convincing 92 points. We look towards a great clash at home against Fair Park after the long weekend.

NETBALL: ROUND 9

It was a tough game against Scoresby who were dominant across the four quarters. At the end of the first quarter we were down by 5, Scoresby extended their lead to 8 by the half time break. The lead was extended to 9 in the third as we tried to keep up. The game finished out with Scoresby taking the points winning by 11.

Paris Saunders led the Kangarams with 18 goals, Danielle Gazzola scored 6 adding to the Kangaram's total.

It was difficult not having a bench against a strong side with a rotation available.

AUSKICK

There is nothing better than seeing young kids learning the wonderful sport of AFL. The Kangarams run a clinic in Croydon Hills encouraging kids to get involved and have a go. This past weekend we had a fantastic turnout with members of our committee, vets and mens teams able to help out and guide the next generation.

We now are looking towards next season when we welcome back our Juniors. We can't wait to see some of our AusKick kids jumping into Juniors and getting to wear the Kangaram.

SPONSOR'S CORNER

Without sponsors this club would not be able to run. Each week we will be featuring sponsors who have stuck by us.

OMEGA Power Equipment was founded in 1982 to service a growing need for electrical supplies to Australia's wholesale industry. They have just joined the Kangarams family as our sponsor.

We look forward to them getting involved in our club.
